

Session 1.2.1

Reaching Universal Access to Sanitation

This session sets the scene for the integrated sanitation theme and features some of the foremost global experts in the sector. The aim is to provide participants with an overview of the current state of global sanitation, drawing from the most recent evidence. The session will also include case-studies from around the world.

Agenda

Moderator: Catarina de Albuquerque, SWA Vice-Chair

1st key note: Global status of sanitation and what it will take to reach universal sanitation access

Speaker: Eddy Perez (former Lead Sanitation Specialist, World Bank)

2nd key note: Main lessons from advances in rural sanitation

Speaker: Sanjay Wijesekera (Associate Director, Water Sanitation and Hygiene Programme Division, UNICEF)

3rd key note: Case-study of Korea's achievement of universal access to sanitation

Speaker: H.E. Goh Kun (former Prime Minister of South Korea)

Discussion panel: What are the key challenges and solutions to reaching universal coverage?

Speakers: Richard Johnson (Public Health Officer, WHO); Orlando Hernandez (Behavioral Scientist, GHPN); Hanna Woodburn (Deputy Secretariat Director, PPPHW), Sophie Trémolet (Water and Sanitation Financial specialist, representing WHO)

13 April 2015 from 11:20 to 13:20 in Room DEC 312
