

AFRICASAN HANDWASHING HIGHLIGHTS CALENDAR

When	What	Where
MONDAY 25th MAY		
9-10:30am	The Status of Sanitation and Hygiene in Africa	Flamboyant
12:40-1:50pm	<p>Sanitation and Hygiene in Sub-Saharan Africa – New learning products Convened by UNICEF</p> <p>This session will discuss and launch new learning products focused on the Sub-Saharan Africa Region including a Sanitation and Hygiene Learning Series, a Sanitation Monitoring Toolkit, the latest JMP Snapshot on Sanitation.</p>	Room B01
5:40-7:20pm	<p>★ Handwashing Behavior Change Think Tank Convened by the PPPHW</p> <p>This session will bring together experts to present state-of-the-art theory and practice around handwashing behavior change, discuss practical recommendations to enhance handwashing programs and policy, and identify new directions for handwashing behavior change research. There will also be the opportunity for you to input your experience and expertise, identifying key challenges on the ground to inform new global research directions needed to further improve handwashing behavior change.</p>	Room C12
TUESDAY 26th MAY		
2-3:30pm	<p>CLTS and sustainability Convened by the CLTS Knowledge Hub at IDS</p> <p>This session reviews what we know about CLTS and sustainability from recent research and experience on the ground and will include discussions on how to integrate handwashing by using CLTS to trigger hygiene behavior change.</p>	Room B12
4-5:30pm	<p>What do sanitation and hygiene have to do with maternal and newborn health? Convened by LSHTM, SHARE, Soapbox Collaborative, UNICEF, WaterAid, WSSCC</p> <p>This session will address the role of sanitation and hygiene in maternal and newborn health.</p>	Room C12
7:20-9:30pm	<p>AfricaSan Gala Dinner Awards Ceremony</p> <p>This event will include hygiene awards.</p>	
WEDNESDAY 27th MAY		
8:30-9am	Myriam Sidibe from Unilever will talk handwashing as part of a plenary session.	
9-10:30am	<p>★ Moving Hygiene Improvement to Scale Convened by the PPPHW</p> <p>This session will address the current state of hygiene globally, and how we can scale up hygiene through program design, partnerships, integration, and policymaking. We will examine how Unilever’s handwashing program is achieving scale; how a food hygiene intervention in Mali was scaled up to other countries; lessons from integrating handwashing into education/nutrition policy, and the opportunities presented by the Sustainable Development Goals (SDGs) for helping move hygiene implementation to scale.</p>	Room C106
1-2:30pm	<p>Just poo it! How to create innovative awareness and behavior change campaigns on sanitation and hygiene Convened by WASH United, SHARE, WaterAid, WSSCC, LSHTM, Speak Up Africa</p> <p>This session brings together insights from commercial marketing and the social impact sector to give participants a basic understanding of what makes effective communication, using practical examples from innovative campaigns for awareness, attitude and behavior change on sanitation and hygiene including SuperAmma and the FOAM approach to handwashing campaigns.</p>	Room C05/06
