WASH YOUR HANDS often with soap and water for at least 20 seconds.

If soap and water are not available, use an ALCOHOL-BASED HANDBRUB.

Protect yourself and others from COVID-19.

#SafeHands #WASHVirusesAway

This Global Handwashing Partnership document is made possible by partners Colgate-Palmolive, Essity, FHI 360, Gordon and Betty Moore Foundation, P&G, UNICEF, Unilever, USAID, World Bank, and WSSCC.
